IB No. 354/63  
17 December 1963  
Copy No. 1

MEMORANDUM FOR: Chief, Resources Division, ORR  
ATTENTION : [REDACTED]  
THROUGH : Chief, Requirements Branch, Reconnaissance Group, CGS  
FROM : Chief, CIA/PID (NPIC)  
SUBJECT : Search for Hydro-Electric Power Plant in the Vicinity  
of Shih-chuan, China  
REFERENCES : (1) ORR Requirement No. ORR/41/62  
(2) CIA/PID Project No. C 759/63

1. This memorandum is forwarded in response to the above mentioned requirement which concerns location and description of a reported power plant located near Shih-chuan, China.

2. A search of all available photography did not reveal the presence of a hydro-electric power plant in the requested search area. Also, there were no indicators of construction activity along the rivers within this area. A map and photo mosaic (See Figures 2 and 3), have been included to outline the search area.

3. The area of search, centering on the city of Shih-chuan covered an area approximately 1,750 square miles. Within this area the complete river system was scanned for dams or any indication of dam-like construction. The photo mosaic (Figure 2) shows most of the search area involved in this study. The photography used was obtained from [REDACTED] dated [REDACTED] respectively.

4. The photo analyst assigned to this project was Mr. [REDACTED] who may be contacted on extension [REDACTED] should you have any further questions regarding this study. This memorandum and its attachments completes this project.
